Dear Kathleen

Rosalie and Walter

and your Christmas  
greetings. We sent them  
to Medrell already, but  
from your lovely card  
from the Hague we gather  
that you are to be "en  
tour" at Christmas. How your  
Dear Mother will miss you! We  
have had 2 lovely letters  
from her - in succession. Con-  
grats on your success! Yes,  
we will wait to see  
you here in April.  
Love from Rosalie + Walter
